INTRODUCTION

The North-West University (NWU) officially came into existence on 1 January 2004 following the merger of the University of North-West and the Potchefstroom University for Christian Higher Education and the incorporation of the Sebokeng Campus of the Vista University.

The University consists of three campuses: The Potchefstroom Campus, Vaal Triangle Campus and Mafikeng Campus. The head office and seat of the institutional management are located in Potchefstroom.

The NWU is a value-driven institution that promotes tolerance and respect for all perspectives and belief systems in order to facilitate an environment conducive to teaching-learning, research and community service. The value system and practices of the NWU will be driven by the values enshrined in the Constitution, especially human dignity, equality and freedom. This includes the promotion of unity in diversity.

APPLICATION FEE

The prescribed application fee as determined annually by the Council is not refundable. The application form will only be accepted for processing if accompanied by this application fee (only cheques or postal orders in favour of the North-West University please).

SELECTION

1. Provisional selection for all undergraduate applications can be done on the basis of the Grade 11 final examination marks (not symbols) if the applicant has not yet matriculated, or on the basis of the matriculation symbols as indicated on the certificate.

2. The University reserves the right to require of candidates who have not obtained a specific average pass mark, to write an additional selection test on the basis of which final consideration will be given to the application of such a candidate. Following receipt of applications for admission, candidates will be informed as to whether they are expected to write the selection tests and as to the date, time and venue.

3. Approval of applications further depends on post-school training and education and/or applicable work experience.
